Additional Information:

Funds are limited. A portion of the funding each year must go to students planning to attend Marietta College, Washington State Community College, Ohio Valley University and WVU-Parkersburg. If schools have students who meet the criteria and are planning to attend any of these colleges, they should definitely encourage them to apply. The remaining funds are then awarded to students planning to attend other colleges. We try hard to select one student from each county in our footprint.

In 2019, a total of $27,000 was awarded to 25 students. Since 2005, nearly $270,000 has been awarded from the Robert E Evans Fund for scholarships.
