

THE WARD AND MARY WOODDELL SCHOLARSHIP TRUST

Amos Ward Wooddell established the Ward and Mary Wooddell Scholarship Fund in his last will and testament to provide a fund, the income from which is to be used to "defray the tuition and college living expenses of worthy students who are not financially able to fully pay their own expenses at college". Any institution, whether academic or technical, qualifies as long as the program leads to a B.A. or B.S., or the equivalent. (Postgraduate studies do not qualify.) These scholarships are renewable annually for a maximum of three times, provided that recipients maintain a "C" average (2.0 of 4.0); that they are enrolled full-time; and that they are making satisfactory academic progress.

Any student graduating from a Clinton County high school, or a permanent resident of Clinton County graduating from a non-Clinton County high school, may apply for a scholarship. Scholarships will be awarded based on a demonstrable need for financial assistance, with consideration given to good character, citizenship, seriousness of purpose and enthusiasm for learning.

The attached application must be completed and returned to the guidance counselor by *May 6*. The scholarship award will be announced at graduation. The money connected with this scholarship will be credited to the recipient's account at the college of their choice. To apply for renewal, recipients must forward a copy of their grades, and a statement certifying that they will be attending college full-time, to the trustee of the Ward and Mary Wooddell Scholarship Fund.
